

## Miscellaneous

**Claws** - We do not have enough claws to carry-on the full program in the future. However, we do have some claws leftover and are selling them in the trading post for any of you that would like to purchase some to complete your set.

**Security** - The Conclave rules require you to be on-site for the entire Conclave. Any youth arrowman who leaves the site without being accompanied by at least two adults and another youth may be asked to leave the Conclave.

**Name tags** - Because the Conclave is near residential areas, and for the security of everyone, please wear your ID badge at all times.

**Trading post** - Please remember to visit the trading post for goodies, memorabilia and clothing. Phil Clark will also have his Native American craft trading post at the Conclave. Both trading posts are located in Building 3. The trading posts are closed on Sunday.

**Patches and trading** - Visit Building 3 early and often to participate in the various auctions and Trade-O-Rees throughout the weekend.

**Running for Office?** - If you plan to run for a section office you must submit a "Petition to Run" form signed by your Scout Executive or his designee. The form must be submitted to the Section Advisor by 3:00 p.m. on Saturday, April 25, 2009.

11:30 Clean up/ Depart

(Sack Lunches are available in the Cafeteria)

## UNIVERSITY

-All degree forms must be turned in by 5:00 p.m. at the University office to receive a degree. The Council of the Chiefs has concluded not to renew the bolo program, as the last of the bolos have been used up. A Conclave Participation pin can be earned, with a University Degree being one of the requirements.

-The Council of the Chiefs has determined that the University program will continue, however, 2009 will be a "reset" year. This means every participant will earn a Bachelors Degree in 2009 and can earn advanced degrees in future years, including a professorship in the fourth year, which will require the participant to serve as an instructor.

## Location Assignments

### SLEEPING AREAS

All members must sleep outside, as the Legacy Center does not allow any overnight sleeping in the buildings  
\*Any members that need access to power for medical devices may camp near the staff camping area where power will be accessible.
