

# Section W2S Conclave 2010 Order of the Arrow

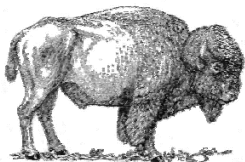

## "From the Past - Now Looking Onward"

### April 16-18, Delta Utah

#### Fellow Brothers!!

It is with great joy that I am able to announce that registration for Conclave 2010 is open!! With so many different fun activities taking place, you will not want to miss this event!! If you have ever attended a conclave, you know how great they can be! And if you have never attended before, this is the perfect one to start your conclave attendance off with!

This year we are going to be back in Delta Utah. There is a power plant there that has great facilities for an event like this! With billiards, tennis courts, basketball courts, horseshoe pits, lots of open space, there is a little of everything for everyone!

We are going to have a few special guests at our conclave! We will be honored to have Charles Dahlquist in attendance. Charles has recently been appointed as the President elect for the Great Salt Lake Council, and was recently serving as the General Young Men's President for the Church of Jesus Christ of Latter Day Saints. We will also have Freddy Gross in attendance at our conclave.

Freddy was recently elected as the Western Region Order of the Arrow Chief. He is from New Mexico, but currently lives in Colorado where he is attending school.

Our Saturday morning activities are going to be focused on learning and teaching OA skills. We have classes about Dutch oven cooking, how to make an Indian headdress, how to become the best youth leader you can be, and many more. If you really love something, or if you feel like you're an expert, share what you know with others by teaching a class! This is especially important for the youth. If you have any desire to teach a class, please fill out the form and come give it a try!

Saturday afternoon activities are going to be one of the highlights of the weekend. We will have a falconry demonstration, shotguns, rifles, archery, tomahawks, redneck games, basketball, Guitar Hero, food eating competitions, Indian powwow, ceremony competitions, patch auctions and lots more! We are not kidding when we tell you that there will be more activities than you will be able to accomplish in one day. But we challenge you come and try!

If you have ever been interested in Indian dancing, or if you are an experienced dancer, we have the Powwow just for you! With a new kid category, the beginner dancers can learn the basic steps and what it takes to become a great dancer. As for the more advanced dancers the competitions is a little tougher, but just as fun!

Think you know a ceremony? Why not compete against others to give yourself a challenge and learn where you might be able to improve your team? This is a great time to work out any kinks that you might have in your ceremony team. There will be competitions in all three ceremonies so everyone can learn and grow.

If you have ever been to conclave before you know how much fun the shows are! This year is going to top them all! Saturday night will be unforgettable! With more activities than you could possibly imagine, it will be one fun night. Live bands, talent shows, lodge competitions, Guitar Hero, Brotherhood ceremony, and countless others!

Our dinner Saturday night will be a "Service" dinner. The point of this dinner will be to show appreciation for the Order of the Arrow, and its members. Every arrow man has their own reasons for being involved, and the Order of the Arrow offers many different ways to be involved. Think back on your Order of the Arrow experiences, what kind of impact have they had on you? Where would you be without them? Now looking back, what has scouting done in the last one hundred years for others like you? Look forward, what will you do in the next one hundred years to build on that?

If you come to conclave and earn the Participation award, you will receive an Indian Choker with a special medallion that you can take home and show off to everyone who did not come to conclave. Don't worry if you don't know how to make a choker, we will help you so you can be proud of your conclave experience!

So whatever your interests, we will have something for you. You will not want to miss this great event; there will not be another one like it in the next one hundred years!! Jump onto the website and register! See you there!
